

Gtk::Window

```
classDiagram
    class GtkWindow["Gtk::Window"]
    class ProjectionWindow
    ProjectionWindow --|> GtkWindow
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a thin gray border containing the text "Gtk::Window". Below it is a gray rectangular box with a thick black border containing the text "ProjectionWindow". A solid blue arrow points vertically from the top center of the "ProjectionWindow" box to the bottom center of the "Gtk::Window" box, indicating that "ProjectionWindow" inherits from "Gtk::Window".

ProjectionWindow
